The Promenade Student/Patron Talent Showcases

are held twice each year, typically in March and September during National Ballroom Dance Week. It is an exciting evening of Dance Exhibitions, when The Promenade welcomes local Amateurs and Professionals, in various styles of Dance to perform in a professional yet non-competitive atmosphere. Dancers of all levels and from all studios are welcome to participate. The Showcases are performed in several sets of three or four dances each, periodically throughout our regularly scheduled Friday and Saturday Evening dance parties, while still allowing plenty of time for Social Dancing.

The Showcase Evening's Schedule will start with a dance lesson at 8:15 p.m. Social Dancing - a mix of Ballroom, Latin & Swing - will begin at 9:00. The first set of performances will start at 9:30 p.m. At the end of the set, Social Dancing will resume for approximately 20 minutes until the next set of performances and so on, throughout the rest of the evening.

There is NO FEE to register and entrants receive two hours of FREE floor time for practice each week, until the date of the Showcase. Spectator admission for the evening, including the lesson, performances and dancing will be an additional \$2 above the regular rate.

A tentative list of performers will be included in The Promenade's Weekly Newsletter on Wednesday prior to the Showcases. Join our E-mail list to receive these updates.

Out of courtesy for our performers, we ask that attendees plan their arrival previous to 9:15 p.m. as the front register and the concession will be closed during all performances and late arrivals will be asked to wait at the front entrance until the set is over.
